Culture

What is Culture?

We'll take turns sharing different things we like to do with our family, friends, and classmates.

Culture

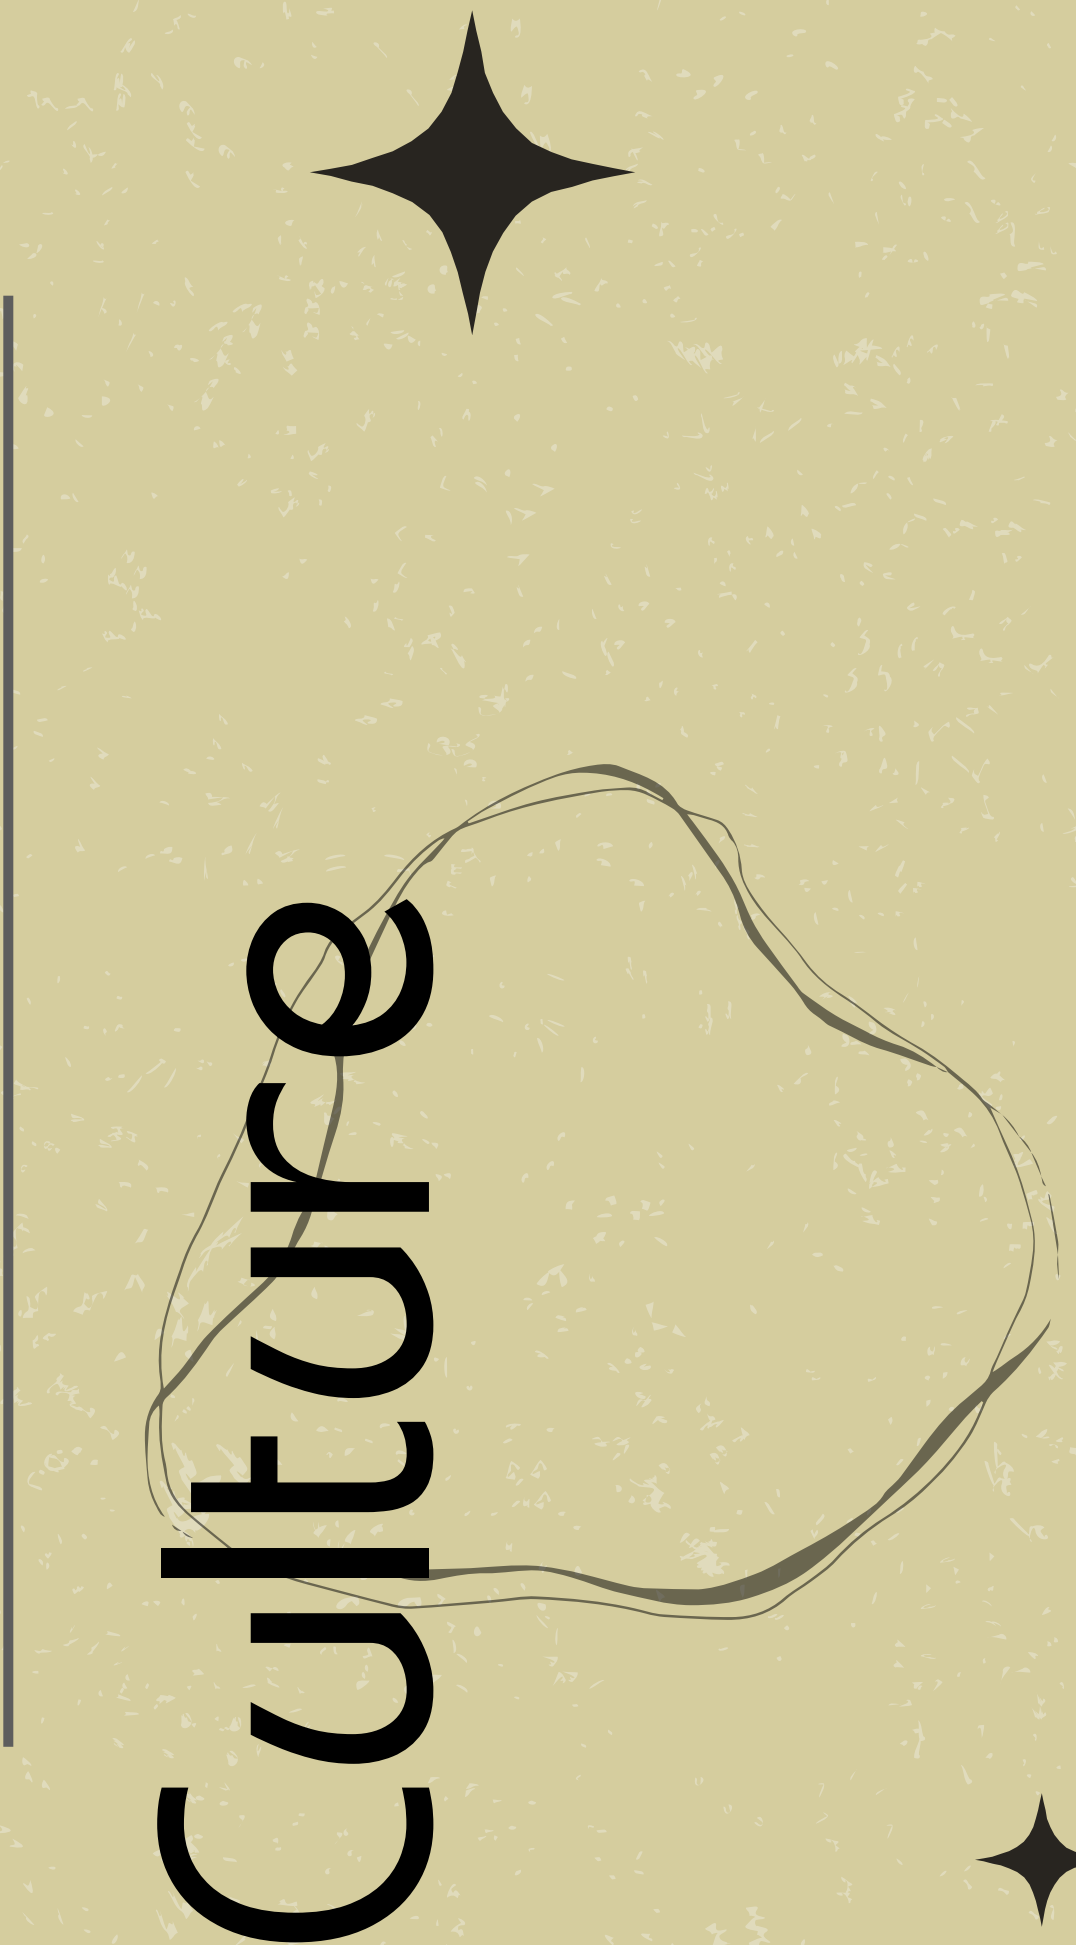

What is Culture?

We'll take turns sharing different things we like to do with our family, friends, and classmates.

Things like food, art, stories, and games are all parts of our culture. It brings a group of people together.

We can have small or large cultures, from our family to our classroom all the way to our country.
